

AIRPORT MEMO

To: Chester County Area Airport Authority (CCAAA) Members

From: Gary L. Hudson, Airport Manager

Date: April 4th, 2017

Subject: Airport Hot Topics

For your review, below is a listing of issues affecting the Chester County/G.O. Carlson Airport (MQS).

NEW BUSINESS

Light Bulb Replaced: On 3/20/17, a light bulb on one of the terminal building obstructions lights was replaced.

Airport Conference: 8/28/17 – 3/30/17, I attended the 2017 Northeast Chapter/American Association of Airport Executives Airports Conference in Hershey, PA.

Additional Vehicle Parking Lot: During snow removal operations, snow plow operators would inadvertently push snow and gravel into the grass when removing snow. So, now that the Winter season has ended, on 4/3/17, airport maintenance personnel raked and evenly spread the gravel back on the parking lot surface.

Air Compressor: On 4/3/17, this compressor was mounted to a specific location in the Airport Maintenance Garage.

Skid Loader: On 4/3/17, warranty repairs were completed on the New Holland Skid Loader.

Vehicle Repaired: On 4/3/17, the Ford Explorer's Electrical Air Temperature Control Unit, which controls the Heating and Air Conditioning System, was replaced.

OLD BUSINESS

Tree Harvesting Project: The Tree Harvesting project being conducted on the Northeast side of the airport is still ongoing.
