Subject: Airport Hot Topics (August)

For your review, below is a listing of issues affecting the Chester County/G.O. Carlson Airport (MQS).

NEW BUSINESS

Bushes Trimmed: On 7/6/17, the bushes located at the terminal building parking lot side walk, between the Long Term (upper level) and Short Term lower level) parking lots, were trimmed?

Vegetation Removed: On 7/6/17, the vegetation in the sidewalk cracks between Hangars 3 and 4, were removed. On 7/11/17, vegetation was also removed from the cracks on Runway 11-29.

Valley Township Planning Commission: On 7/11/17, I, along with Authority Chairman Al Koenig and Fran Strouse (L.R.Kimball), attended a meeting at the Valley Township Municipal Building, to discuss with the township Commissioners, the Authority's proposed Terminal Building Expansion Project.

Regional Helicopter Inventory Survey: On 7/12/17, I completed and submitted a Regional Helicopter Inventory Survey, to the Delaware Valley Regional Planning Commission (DVRPC). The purpose of the survey, which is funded through an FAA grant, is for the DVRPC to create a comprehensive inventory of helicopter activity and facilities in the 12-county Delaware Valley aviation planning region.

HVAC Units: On 7/14/17, Brubaker, technicians performed their mid-season maintenance check on the terminal building Heating, Ventilation and Air Conditioning (HVAC) units.

OLD BUSINESS

Tree removal Project (adjacent to Aviation Way): This project is still ongoing.

Airport Fence Project: Maintenance personnel are still in the process of installing new permanent fencing adjacent to Lindbergh Boulevard.
